Contactless Kernel C-8 details

ICS Reference **TCP_ICS_CAST_00218_94**

Dear James Tsai,

EMVCo, LLC ("EMVCo"), a Delaware limited liability company, has received your request for Contactless Kernel C-8 Type Approval for the EMV Product identified above. In connection with your request, we have reviewed all test file.

After assessing such file(s), EMVCo has found reasonable evidence that the submitted samples of the above referenced Product sufficiently conforms to the C-8 specification version 1.1.

EMVCo hereby (a) grants your EMVCo Type Approval for Contactless Kernel C-8, based on the requirements stated in those specifications, and (b) agrees to include your Kernel in the EMVCo approved Kernel list.

EMVCo's grant to your Kernel is subject to and specifically incorporates (i) the General Terms and Conditions to the Letter of Approval enclosed as Exhibit A, and (ii) the Specific Terms and Conditions to the Letter of Approval attached hereto as Attachment 1. Because EMVCo's grant is subject to such limitations, including certain events of termination, you and any third parties should confirm that such approval is current and has not been terminated by referring to the list of approved Products published on the EMVCo website (www.emvco.com).

This Letter of Approval is valid while the approval number is posted on the EMVCo website.

Attachment 1

Specific Terms and Conditions to the Letter of Approval

Restriction:

Comments:

In line with the EMVCo Type Approval process for Standalone Kernel C-8, this Letter of Approval covers the Contactless Kernel C-8 only and does not constitute a Letter of Approval of a Contactless Product. Application Selection Mechanism or the compliance with EMV Book A&B specifications are not covered as part of this approval. .

Additional testing may be required by Payment Systems to complete the functional evaluation.
