Dear Pascal Cooreman,

EMVCo, LLC ("EMVCo"), a Delaware limited liability company, has received your request for EMV CCD Application card type approval for the above referenced card product. In connection with your Request for Approval dated May 20, 2026, we have reviewed all reports submitted as evidence of compliance to EMV ICC Specification including CCD portions, Level 1 Contact Interface Specification and EMVCo security requirements.

After assessing such request, EMVCo has found reasonable evidence that the submitted samples of the above referenced card product sufficiently conform to EMV ICC Specification including CCD portions and Level 1 Contact Interface Specification.

For a more detailed listing of the features supported by the card please review the Implementation Conformance Statement.

EMVCo hereby (a) grants your EMVCo card type approval, based on the requirements stated in the EMV ICC Specifications including CCD portions and Level 1 Contact Interface Specification, and (b) agrees to include your EMV CCD Application card product in EMVCo's list of approved products. EMVCo card type approval does not extend to portions or components of a card or application that are not defined by the EMV ICC Specification or Level 1 Contact Interface Specification. EMVCo's grant to your EMV CCD Application card product is subject to and specifically incorporates (i) the terms and conditions of your type approval agreement with EMVCo and any Exhibit A attached thereto, and (ii) the Specific Terms and Conditions to the Letter of Approval attached hereto as Attachment A. Because EMVCo's grant is subject to such limitations, including certain events of termination, you and any third parties should confirm that such approval is current and has not been terminated by referring to the EMVCo list of approved products.

This Letter of Approval is valid while the approval number is posted on the EMVCo website.
