Dear Fredrik Ramberg,

EMVCo, LLC ("EMVCo"), a Delaware limited liability company, has received your request for EMV fingerprint sensor product test assessment for the above referenced product. In connection with your Request for Test Assessment dated March 2, 2026, we have reviewed all reports submitted.

As a result, EMVCo has found reasonable evidence that the submitted samples sufficiently conform to the EMV Biometric Card Specifications for Payment Systems - Biometric Card Provider Requirements version 1.0.

For a more detailed listing of the features supported by the product please review the Implementation Conformance Statement.

This Test Assessment Summary does not represent any type approval for the fingerprint sensor functionality. It is delivered by EMVCo as a first and partial step to verify compliance with Reference Specifications that may be used by the applicable payment system(s) as part of their own Type Approval processes.

This Test Assessment Summary generally applies to the product only as tested. It can continue to apply to the product if it undergoes a minor change, as described in the Administrative Process document. If the product undergoes more than one minor change, or undergoes a change that is not categorized as a minor change, you must provide notice to EMVCo briefly describing such change(s) at least thirty (30) days prior to implementation of the applicable change. EMVCo may decide this Test Assessment Summary no longer applies to the product, in which case additional testing would be required to re-issue a Test Assessment Summary for the product.

In addition, this Test Assessment Summary may be revoked at any time by EMVCo upon notice.

This Test Assessment Summary is effective on dispatch from EMVCo and is valid while the assessment number is posted on the EMVCo website .
